## CHAPTER 330-PODIATRIST

### **330.010. Definitions, ankle surgery, requirements for performing.**

1. The word "board" whenever used in this chapter means the state board of podiatric medicine.

2. The definitions of the words "podiatrist" or "physician of the foot" shall for the purpose of this section be held to be the diagnosis, medical, physical, or surgical treatment of the ailments of the human foot, with the exception of administration of general anesthetics, or amputation of the foot and with the further exception that the definitions shall not apply to bone surgery on children under the age of one year. The use of such drugs and medicines in the treatment of ailments of the human foot shall not include the treatment of any systemic diseases. For the purposes of this chapter, the term "human foot" includes the ankle and the tendons which insert into the foot as well as the foot. For surgery of the ankle only, the doctor of podiatric medicine licensed pursuant to this chapter shall either be board certified in foot and ankle surgery by the American Board of Podiatric Surgery or shall complete a twenty-four-month postgraduate clinical residency in podiatric surgery; provided, however, any newly licensed doctor of podiatric medicine desiring to perform ankle surgery and licensed pursuant to this chapter after January 1, 2005, shall be required to complete a twenty-four-month postgraduate clinical residency in podiatric surgery. Nothing in this section shall be construed to prohibit a doctor of podiatric medicine from performing ankle surgery under the direct supervision of a doctor who is authorized to perform surgery of the ankle. Surgical treatment of the ankle by a doctor of podiatric medicine shall be performed only in a licensed acute care hospital or a licensed ambulatory surgical clinic. A doctor of podiatric medicine performing ankle surgery shall be required to complete the biennial continuing medical education hourly credit requirements as established by the state board of podiatric medicine. The doctor of podiatric medicine shall have obtained approval of the physician's credentialing committee of a licensed acute care hospital or a licensed ambulatory surgical clinic.

The postgraduate study required shall be that presented by a college of podiatric medicine accredited by the American Podiatric Medical Association or a course of study approved by the board.

5. Failure of the registrant to receive the renewal form shall not relieve any registrant of the duty to register and pay the fee required by this chapter nor exempt any such person from the penalties provided by this chapter for failure to register.

*(L. 1945 p. 965 § 9798a, A.L. 1947 V. I p. 319, A.L. 1971 S.B. 16, A.L. 1981 S.B. 16, A.L. 1999 H.B. 265, A.L. 2005 H.B. 402 merged with S.B. 178)*

If said application be filed and said fee paid after the biennial renewal date, there shall be a late fee in addition to the biennial license renewal fee; provided, however, that whenever in the opinion of the board the applicant's failure to renew the license was caused by extenuating circumstances including illness of the applicant, as defined by rule, the late fee may be waived by such board, and provided further, that whenever any license is granted to any person to practice podiatric medicine under the provisions of this chapter, the board shall upon application therefor cause to be issued to such licensee a biennial license renewal covering the period from the date of the issuance of such license to the next biennial license renewal date without the payment of the late fee.

The following programs may be reviewed by the board for CME credit:

a residency program approved by the Council of Podiatric Medical Education of the American Podiatric Medical Association are exempt from obtaining the required CME hours for the continuing medical education reporting period that the licensee was in the residency program. The residency program director must complete the form provided by the board, attesting that the applicant has attended an approved postgraduate clinical residency program for not less than six (6) months during the twenty-four (24)-month continuing medical education renewal reporting period. The licensee shall maintain this certificate in his/her records of CME attendance.

5. Pursuant to section 41.946, RSMo and notwithstanding any other provision of law, any person licensed or certified to practice a trade or profession by the state of Missouri or any branch or agency thereof that requires an annual period of continuing education or training as a condition of continued or renewed licensing or certification, and who is or becomes a member of the National Guard or of any reserve component of the Armed Forces of the United States who is called to full-time active duty in the service of the United States under competent orders shall, during the period of full-time active duty, be exempt from any such requirement for continuing education or training without his/her status, license, certification or right to practice his/her trade or profession being affected and shall not be required, upon returning from full-time active duty, to make up or retake any training or education for which s/he was exempt under the provisions of this section.

(1) A licensee who cannot complete the required hours of CME because of personal illness or other circumstances beyond the licensee's control, which the board deems to be sufficient to impose an

insurmountable hardship may apply for an extension of time to complete the CME requirements. Any extension of time to complete the CME requirements will be granted solely at the discretion of the board. The licensee shall make a written application for extension of time prior to the February 28 deadline for completion of the CME requirement. The application for extension shall be accompanied by the Continuing Medical Education Reporting Period Late Fee. The licensee shall provide full and complete written documentation of the grounds supporting the reasons for which an extension is sought.

2. The board, solely at its discretion, may grant an extension based on unforeseeable circumstances beyond the licensee's control that impose an insurmountable hardship precluding the licensee from obtaining the required CME. At a minimum, the licensee shall provide written documentation explaining specifically and in detail the nature of the circumstances, why the circumstances were unforeseeable and beyond the licensee's control, the period during which the circumstances were in existence, documentation of the number of CME credits earned in the two (2)-year reporting period and the licensee's plan for completing the balance of the CME requirement.

3. An extension of time shall not be granted to any licensee who obtained an extension in the immediately preceding CME reporting period in which the licensee held an active license.

(8) Any application for biennial license renewal received by the board more than six (6) months after the renewal date shall be void and the applicant shall be required to make new application and pay the applicable fees in accordance with section 330.030, RSMo, which shall include successful completion of the Missouri Law Examination administered by the board.

(9) A Missouri licensed podiatrist has the ongoing obligation to keep the board informed if the licensee has been finally adjudicated or found guilty, or entered a plea of guilty or nolo contendere, in a criminal prosecution under the laws of any state or of the United States, for any offense reasonably related to the qualifications, functions or duties of any profession licensed or regulated under Chapter 330, RSMo, for any offense an essential element of which is fraud, dishonesty, or an act of violence, or for any offense involving moral turpitude,

whether or not sentence was imposed. The licensee shall provide this information to the board within thirty (30) days of being finally adjudicated or found guilty.

## **20 CSR 2230-2.041 Public Complaint Handling and Disposition Procedure**

*PURPOSE: This rule establishes a procedure for the receipt, handling and disposition of public complaints by the board, pursuant to the mandate of section 4.16(6) of the Omnibus State Reorganization Act of 1974, Appendix B, RSMo.*

(1) The State Board of Podiatric Medicine shall receive and process each complaint made against any licensee, permit holder, registrant or applicant of the board, or unlicensed individual or entity, which complaint alleges certain acts or practices which may constitute one (1) or more violations of the provisions of Chapter 330, RSMo. Any member of the public or the profession or any federal, state or local official, may make and file a complaint with the board. Complaints shall be received from sources outside Missouri and processed in the same manner as those originating within Missouri. No member of the State Board of Podiatric Medicine shall file a complaint with this board while holding that office, unless that member is excused from further board deliberations or activity concerning the matters alleged within that complaint. The executive director or any staff member of the board may file a complaint pursuant to this rule in the same manner as any member

of the public.

(2) Complaints should be mailed or delivered to the following address: State Board of Podiatric Medicine, 3605 Missouri Boulevard, PO Box 423, Jefferson City, MO 65102-0423. However, actual receipt of the complaint by the board at its administrative offices in any manner shall be sufficient. Complaints shall be made based upon personal knowledge or upon information and belief, reciting information received from other sources.

(3) All complaints shall be made in writing. Complaints shall be made on forms provided by the board and available upon request. Oral or telephone communications will not be considered or processed as complaints, but the person making the communications will be provided with a complaint form and requested to complete and return the form to the board in written form. Any member of the administrative staff of the board may make and file a complaint based upon information and belief, in reliance upon oral, telephone or written communications received by the board, unless that staff member believes those communications to be false.

(4) Each complaint received under this rule shall be logged in a book and/or database maintained by the board for that purpose. Complaints shall be logged in consecutive order as received. The log book and/or database shall contain a record of each complainant's name and address; the name and address of the subject(s) of the complaint; the date each complaint is received by the board; a brief statement of the acts complained of, including the name of any person injured or victimized by the alleged acts or practices; a notation whether the complaint resulted in its dismissal by the board or informal charges being filed with the Administrative Hearing Commission; and the ultimate disposition of the complaint. The log book and/or database shall be a closed record of the board.

(5) Each complaint received under this rule shall be acknowledged in writing. The acknowledgment shall state that the complaint is being referred to the board for consideration at its next regularly scheduled meeting. The complainant shall be informed as to whether the complaint is being investigated and later as to whether the complaint has been dismissed by the board, or is being referred to legal counsel for filing with the Administrative Hearing Commission. The complainant shall be notified of the ultimate disposition of the complaint, excluding judicial appeals, and shall be provided with copies of the decisions (if any) of the Administrative Hearing Commission and the board at that time; provided, that the provisions of this section shall not apply to complaints filed by staff members of the board based on information and belief, acting in reliance on third-party information received by the board.

(6) Both the complaint and any information obtained as a result of the investigation shall be considered a closed record and shall not be available for inspection by the general public. However, upon written request to

the board, a copy of the complaint and any attachments to the complaint may be provided to any licensee who is the subject of that complaint or his/her counsel.

(7) This rule shall not be deemed to limit the board's authority to file a complaint with the Administrative Hearing Commission charging a licensee or temporary license holder of the board with any actionable conduct or violation, whether or not that complaint exceeds the scope of the acts charged in a preliminary public complaint filed with the board, and whether or not any public complaint has been filed with the board.

(8) The board interprets this rule, which is required by law, to exist for the benefit of those members of the public who submit complaints to the board, and for those persons or entities within the legislative and executive branches of government having supervisory or other responsibilities or control over the professional licensing boards. This rule is not deemed to protect or inure to the benefit of those licensees or temporary license holders or other persons against whom the board has instituted or may institute administrative or judicial proceedings concerning possible violations of the provisions of Chapter 330, RSMo.

(1) All public records of the State Board of Podiatric Medicine shall be open for inspection and copying by the general public at the board's office during normal business hours, holidays excepted, except for those records closed pursuant to section 610.021, RSMo. All public meetings of the State Board of Podiatric Medicine, not closed pursuant to the provisions of section 610.021, RSMo, will be open to the public.

(2) The State Board of Podiatric Medicine establishes the executive director of the board as the custodian of its records as required by section 610.023, RSMo. The executive director is responsible for maintaining the board's records and for responding to requests for access to public records and may appoint deputy custodians as necessary for the efficient operation of the board.

(3) When the custodian believes that requested access is not required under Chapter 610, RSMo, the custodian shall inform the requesting party that compliance cannot be made, specifying what sections of Chapter 610, RSMo, require that the record remain closed. Correspondence or documentation of the denial shall be copied to the board's general counsel. The custodian also shall inform the requesting party that s/he may appeal directly to the board for access to the records requested. The appeal and all pertinent information shall be placed on the agenda for the board's next regularly scheduled meeting. If the board reverses the decision of the custodian, the board shall direct the custodian to advise the requesting party and supply access to the information during regular business hours at the requesting party's convenience.

(4) The custodian shall maintain a file that will contain copies of all written requests for access to records and responses to these requests. The requests shall be maintained on file with the board for a period of one (1) year and will be maintained as a public record of the board open for by any member of the general public during regular business hours.

(5) Whenever a request for inspection of public records is made and the individual inspecting the records requests copies of the records, the board may charge a reasonable fee for the cost of inspecting and copying the records. The fee charged by the board shall be as follows:

(A) A fee for copying public records shall not exceed the actual cost of the document search and duplication; and

(B) The board may require payment for these fees prior to making the copies.

Except as provided in subsection 2 of this section\*, the pharmacist filling prescription orders for drug products prescribed by trade or brand name may select another drug product with the same active chemical ingredients of the same strength, quantity and dosage form, and of the same generic drug type, as determined by the United States Adopted Names and accepted by the Federal Food and Drug Administration. Selection pursuant to this section is within the discretion of the pharmacist, except as provided in subsection 2 of this section\*. The pharmacist who selects the drug product to be dispensed pursuant to this section shall assume the same responsibility for selecting the dispensed drug product as would be incurred in filling a prescription for a drug product prescribed by generic name. The pharmacist shall not select a drug product pursuant to this section unless the product selected costs the patient less than the prescribed product.

2. A pharmacist who receives a prescription for a brand name drug may, unless requested otherwise by the purchaser, select a less expensive generically equivalent product under the following circumstances:

(1) If a written prescription is involved, the prescription form used shall have two signature lines at opposite ends at the bottom of the form. Under the line at the right side shall be clearly printed the words: "Dispense as Written". Under the line at the left side shall be clearly printed the words "Substitution Permitted". The prescriber shall communicate the instructions to the pharmacist by signing the appropriate line. No prescription shall be valid without the signature of the prescriber on one of these lines;

(2) If an oral prescription is involved, the practitioner or the practitioner's agent, communicating the instructions to the pharmacist, shall instruct the pharmacist as to whether or not a therapeutically equivalent generic drug may be substituted. The pharmacist shall note the instructions on the file copy of the prescription.

3. All prescriptions written in the state of Missouri by practitioners authorized to write prescriptions shall be on forms which comply with subsection 2 hereof.

4. Notwithstanding the provisions of subsection 2 of this section to the contrary, a pharmacist may fill a prescription for a brand name drug by substituting a generically equivalent drug when generic substitution is allowed in accordance with the laws of the state where the prescribing practitioner is located.

5. Violations of this section are infractions.

1. A court or the director of the division of child support enforcement may issue an order, or in the case of a business, professional or occupational license, only a court may issue an order, suspending an obligor's license and ordering the obligor to refrain from engaging in a licensed activity in the following cases:

(1) When the obligor is not making child support payments in accordance with a court order and owes an arrearage in an amount greater than or equal to three months support payments or two thousand five hundred dollars, whichever is less, as of the date of service of a notice of intent to suspend such license; or

(1) Pays the entire arrearage stated in the notice;

(2) Enters into and complies with a payment plan approved by the court or the division; or

4. In a IV-D case, the notice shall advise the obligor that hearings are subject to the contested case provisions of chapter 536, RSMo.

5. If the proposed suspension of license is based on the alleged failure to comply with a subpoena relating to paternity or a child support proceeding, or order of the director for genetic testing, the notice of intent to suspend shall inform the person that such person's license shall be suspended sixty days after service, unless the person complies with the subpoena or order.

6. If the obligor fails to comply with the terms of repayment agreement, a court or the division may issue a notice of intent to suspend the obligor's license.

**454.1005. Hearing to show cause for suspension of a license, procedure.**

1. To show cause why suspension of a license may not be appropriate, the obligor shall request a hearing from the court or division that issued the notice of intent to suspend the license. The request shall be made within sixty days of the date of service of notice.

2. If an obligor fails to respond, without good cause, to a notice of intent to suspend a license, timely request a hearing or comply with a payment plan, the obligor's defenses and objections shall be considered to be without merit and the court or director may enter an order suspending the obligor's license and ordering the obligor to refrain from engaging in the licensed activity.

3. Upon timely receipt of a request for hearing from an obligor, the court or director shall schedule a hearing to determine if suspension of the obligor's license is appropriate. The court or director shall stay suspension of the license pending the outcome of the hearing.

4. If the action involves an arrearage, the only issues that may be determined in a hearing pursuant to this section are:

(1) The identity of the obligor;

(2) Whether the arrearage is in an amount greater than or equal to three months of support payments or two thousand five hundred dollars, whichever is less, by the date of service of a notice of intent to suspend; and

(3) Whether the obligor has entered a payment plan.

If the action involves a failure to comply with a subpoena or order, the only issues that may be determined are the identity of the obligor and whether the obligor has complied with the subpoena or order.

5. If the court or director, after hearing, determines that the obligor has failed to comply with any of the requirements in subsection 4 of this section, the court or director shall issue an order suspending the obligor's license and ordering the obligor to refrain from engaging in the licensed activity.

6. The court or division shall send a copy of the order suspending a license to the licensing authority and the obligor by certified mail.

7. The determination of the director, after a hearing pursuant to this section, shall be a final agency decision and shall be subject to judicial review pursuant to chapter 536, RSMo. Administrative hearings held pursuant to this section shall be conducted by hearing officers appointed by the director of the department pursuant to subsection 1 of section 454.475.

8. A determination made by the court or division pursuant to this section is independent of any proceeding of the licensing authority to suspend, revoke, deny, terminate or renew a license.

*(L. 1997 S.B. 361)*  
*Effective 7-1-97*

**454.1008. Licensing authority's responsibilities upon receipt of a suspension order.**

(2) Enter the suspension as effective from the date of the order issued by the court or division;

(3) Issue the notice of the suspension to the licensee; and

(4) If required by law, demand surrender of the suspended license.

2. An order issued by a court or the director suspending a license shall be processed by the licensing authority without any additional review or hearing by such licensing authority.

3. Notwithstanding the provisions of any other law regarding the suspension, revocation, denial, termination or renewal of a license to the contrary, an order issued by a court or the director suspending a license shall be implemented by the licensing authority and continue until the court or division advises the licensing authority that such suspension has been stayed or terminated. The obligor may not appeal the suspension of a license pursuant to sections 454.1000 to 454.1025 pursuant to any other law, including, but not limited to, section 302.311, RSMo. The exclusive procedure for appeal is provided in sections 454.1000 to 454.1025.

4. If a license is suspended, any funds paid by the obligor to the licensing authority for costs related to issuance, renewal or maintenance of a license shall not be refunded to the obligor.

5. Unless acting pursuant to an order of a court or the director which stays the suspension of a license, an obligor who continues to engage in the business, occupation, profession or other licensed activity while the license is suspended pursuant to this section is guilty of a class A misdemeanor, unless a penalty is otherwise provided. The division or the licensing authority may refer the obligor to the appropriate prosecuting or circuit attorney or the attorney general for prosecution pursuant to this section in addition to any other remedy provided by law for engaging in a licensed activity without a license or while a license is suspended.

6. The licensing authority shall be exempt from liability to the licensee for activities conducted pursuant to this section.

7. The licensing authority shall not modify, remand, reverse, vacate or stay an order of the court or director suspending a license.

8. If the license suspended is a driver's license, the obligor shall have no rights pursuant to section 302.311, RSMo.

*(L. 1997 S.B. 361)*  
*Effective 7-1-97*

**454.1010. Petition to stay a suspension, grounds, procedure--reinstatement fee required, when.**

1. An obligor may, at any time, petition a court or the director for an order to stay the suspension of a license. Any petition seeking to stay an order of the director shall be served on the director.

2. The court or director may consider the obligor's petition for a stay separately from any determination on the suspension of a license.

3. The court, but not the director, may stay suspension of a license upon a showing that a suspension or continued suspension of a license would create a significant hardship to the obligor, the obligor's employees, any legal dependents residing in the obligor's household, or persons, businesses or other entities served by the obligor.

4. The court or director may stay suspension of a license upon entry of a payment plan or receipt of adequate assurance that the obligor shall comply with an existing payment plan.

5. A stay shall terminate if:

(1) A court determines that the significant hardship circumstance pursuant to subsection 3 of this section has ended;

(2) The court or division determines that the obligor has failed to abide by the terms and conditions of a payment plan; or

(3) The order staying suspension of a license has a termination date and such date has been reached.

6. If the licensing authority is notified of an order suspending a license, the court or division shall send a copy of any order staying or reimposing suspension of the license to the licensing authority and the obligor by certified mail.

7. Upon receipt of an order staying or reimposing suspension of the license, the licensing authority shall:

(1) Enter the information on appropriate records;

(2) Issue notice of the action to the licensee; and

(3) If required by law, demand surrender of the suspended license or return the reinstated license.

8. No additional action by the licensing authority shall be required to implement a stay or reinstatement of suspension of a license.

9. This section shall be the exclusive remedy for the obligor to obtain an order staying suspension of a license pursuant to sections 454.1000 to 454.1025. Any other provisions providing for the issuance of hardship licenses, including, but not limited to, those provided in section 302.309, RSMo, do not apply to suspensions pursuant to sections 454.1000 to 454.1025.

10. No person shall be required to file proof of financial responsibility with the department of revenue as a condition of reinstatement of a driver's license suspended solely pursuant to the provisions of sections 454.1000 to 454.1025.

11. Any person whose license to operate a motor vehicle in this state has been suspended pursuant to this section shall, before having the license reinstated, pay to the director of revenue a reinstatement fee of twenty dollars.

*(L. 1997 S.B. 361)*

*Effective 7-1-97*

**454.1013. Termination of an order of suspension, when--new termination order may be issued, when.**

1. If a court or the division determines that an arrearage has been paid in full, or the obligor has complied with the subpoena or order of the director, the court or division shall terminate the order suspending the license and immediately send a copy of the order terminating the suspension of the license to the licensing authority and the obligor by certified mail.

2. Entry of an order terminating suspension of a license shall not prevent a court or the director from issuing a new order suspending the license of the same obligor in the event of another arrearage.

*(L. 1997 S.B. 361)*

*Effective 7-1-97*

**454.1015. Fee charged by licensing authority for administrative costs permitted.**

*(L. 1997 S.B. 361)*

*Effective 7-1-97*
